YOU — YOU — YOU!
IT'S UP TO YOU!

Will every member in your club, community or school, complete at least one 4-H Club project before the 1961 club year ends? "Yes" should be the emphatic answer of every Appomattox 4 - H member. Each year many 4 - H Clubs add their name to the honor roll of 100% completion clubs. Has your club already achieved this honor? Will it be one to do so this year? We hope so. The correct answer depends upon you, you, and you; every 4-H Club member in Appomattox County.

If your 4-H project is not complete or if you are not sure whether it is complete, please write or see your county agent or volunteer leader. Do this today. They will tell you if you have completed your project or if some additional information is needed.

Senior 4-H members as well as club officers have a personal opportunity and responsibility in achieving 100% club project completion. These 4-H'er's will assist younger and less experienced members in getting their project completed and necessary records turned in to the county agent's office not later than Wednesday, October 25, 1961.
